McCoy, CO 80463**

Dear Marketing Director:

Following is some basic information that you may use for news releases, etc. You may use as much or a little as you want. If you like more specific information, do not hesitate to call PBL.

Best Regards,

Avery Smith
Marketing Director

ZAUGG PIPE MONSTER

BASIC INFORMATION FOR NEWS RELEASES

- **Zaugg Manufacturer is Zaugg Ag Eggiwil, Eggiwil, Switzerland**
- **North and South American Distributor for Zaugg is PBL Enterprises, Inc., located in Colorado. Paul Leck is President and owner of PBL Enterprises, Inc. Telephone number is 800-780-0470. Check out ZauggAmerica.com.**
- **When Paul checked out a Zaugg PDI in Zermatt, Switzerland in 1999, he knew this was the machine needed for the future of pipes.**
- **Zaugg pipe groomers do not cut a radial (half of a circle) pipe like previous groomers. Zaugg has an elliptical shape which leaves a larger landing zone and more area to pickup speed.**
- **It has been stated that the Zaugg pipe groomers have revolutionized pipe boarding and skiing by allowing more air thus creating spectacular hits.**
- **Zaugg already made world renown snow blowers used all over Europe. When they saw a pipe groomer, they believed they could use there expertise to build a better machine.**
- **The Zaugg Pipe Monster has been used for the annual ESPN Winter X Games in Aspen, CO since 2003.**
- **Zaugg is THE machine for pipe grooming world wide. They are in all of Europe, Japan, Korea, New Zealand and more countries looking to buy.**
- **Zaugg pipe groomers come in 22-ft, 18-ft, 13-ft and 8-ft. The Pipe Monster is 22-ft or 18-ft. The Pipe Designer is 13-ft or 8-ft.**
- **Please call this machine the ZAUGG PIPE MONSTER not Pipe Dragon. Although we knew and had the greatest respect for Doug Waugh, the founder of Pipe Dragon. He was the absolute pioneer in pipe grooming.**
